AREA ADMINISTRATOR

Dear Members and Friends,

October has been a very busy month for me.

We commenced with a Christening in Melbourne. Hayley Elizabeth, a dear little girl, behaved herself very well - just like her grandmother.

Then there was our Open Day at the Baptist Church on the 11th. The Group should be happy with the results of the day, and, as usual, we have ideas for improving our effort next year.

On the 17th I went to Melbourne to attend the A.I.G.S. Open Day. I stayed with Faye Guthrie, as did Marilyn Pohlner and Shirley Kemfert from Dimboola. Plenty of talking as you can imagine. Marjorie McLean came along and we had a busy and interesting day. Lots of queries, mainly about ancestors thought to be buried at Warrnambool or Tower Hill Cemeteries. These have all been answered. It was good to catch up with some dear friends. Marjorie did hold the fort when I disappeared now and again. I think that both these Open Days have made many more people aware of our presence in Warrnambool.

The next weekend was the National Family Day held at the Art Gallery. We were invited to put up a display and I took along several charts about commencing Family History as well as the Boyce and Hedditch family trees. Children attending the display were given charts to fill in the details of their families.

The following Friday we went to Geelong to attend our nursing sister's graduation - she had updated her qualifications by completing the College Course.

Best news for last - I got a clearance from my Doctor - four and a half years have passed by - one to go.

As this is the last Newsletter for the year I would like to thank you all for your assistance during the year, and I will take the opportunity to wish you all as Happy Christmas, and all the best for 1998.

Regards to all,

Marie Boyce
